GIFTED & PRE-ADMISSION ASSESSMENTS

Thank you for your interest in receiving behavioral health services from Perez & Associates, LLC (PALLC). For a general understanding of our process, please review this document prior to scheduling your child's first appointment. We are more than happy to answer any questions you may have and look forward to working with your family.

GIFTED & PRE-ADMISSION ASSESSMENTS

Evaluations are completed within a single appointment. This appointment consists of a brief interview with you and your child followed by the required testing components. Preschool assessments typically last 45-75 minutes depending on your child's abilities and attention level. Grade school assessments typically last 2 hours depending on your child's cognitive abilities and academic skills. You will receive an electronic version of your child's report within 5-7 business days. Testing results will be clearly stated in the report. Consequently, a feedback session is not needed. A deposit of half the testing fee is due at the time of scheduling to secure your requested testing date and time. The remaining fee is due the actual day of the assessment.

Fees are determined based on the service offered.
